Projects

Wit Tools | [GitHub](#) | [Live](#)

October 2025

- Technologies: React
- Developed a web utility platform with PDF, image, and file management tools for productivity and document processing
- Implemented features including PDF merge, split, compress, watermark, password protection, and format conversion
- Built image processing tools such as background removal, compression, resizing, cropping, and format conversion
- Designed a responsive and user-friendly interface with optimized performance across desktop and mobile devices

Shopify Product Scraper Chrome Extension | [GitHub](#)

July 2025

- Technologies: JavaScript, Chrome Extensions API (Manifest V3), HTML, CSS
- Developed a Chrome extension to automate extraction of product data, reducing manual effort in data collection
- Scraped product details including titles, prices, images, and variants using DOM parsing techniques
- Built deep scanning functionality and exported data into Shopify-ready CSV format for bulk import

Expense Tracker Web Application | [GitHub](#) | [Live](#)

July 2025

- Technologies: HTML, CSS, JavaScript, PHP, SQL, Chart.js
- Developed a web based expense tracker with secure authentication, budget tracking, visual analytics, and CSV export functionality
- Implemented interactive charts using Chart.js to visualize spending patterns and monthly reports
- Built backend logic in PHP and SQL for data storage, retrieval, and user management

WITCET Educational Website | [GitHub](#) | [Live](#)

April 2024

- Technologies: React, Node.js, Express.js, MongoDB, Bootstrap, CSS
- Developed an online education platform offering study materials, practice tests, and a large content library
- Built RESTful APIs using Node.js and Express.js for content management and user authentication

Technical Skills

Languages: JavaScript, PHP, Python

Frameworks: Laravel, React.js, Node.js, Express.js, Bootstrap, Tailwind CSS

Databases: MongoDB, MySQL

Tools: Git, GitHub, Canva

Shopify: Liquid, Theme Customization, Store Setup, Shopify CLI, App Integration
